Bank of St. Vincent & the Grenadines
The Bank That Gives Me more

Our 2016 calendar continues our theme of featuring the young achievers in our society. THE PROMISE OF A BRIGHTER TOMORROW 2016 Edition showcases the achievements and continuing pursuits of young and highly talented persons in a number of areas including, sports, arts and culture, education and entrepreneurship. It is important to note the inclusion of our Special Olympics Team that participated in the World Games in Los Angeles last July. They represent a shining example of courage and leadership through teamwork.

The features you will see on the pages from January to December represent not only individual brilliance, but also, vision and determination, as well as, very hard work and sacrifice. We are honored, and at the same time humbled, by the opportunity given to our Bank to tell their stories in this way. We must all continue to encourage and support them as they continue to soar to new heights.

With very best wishes,

—Mr. Derry Williams - Managing Director, Bank of St. Vincent & the Grenadines
