Our Powerful Brand STRONGER TOGETHER

A strong brand that withstands the winds of change is one built on integrity, purpose and trust. This is BOSVG – an evolving and responsive brand, deeply rooted in the heart and soul of our people; an indigenous brand that inspires pride and aspires to greatness. Over the years BOSVG has grown in part through the strong direction of the Board, stellar leadership of its management and undying commitment of its staff. The other part is the passionate loyalty of our customers from all walks of life and diverse businesses. Now that our brand has been refreshed with an updated logo and a new tagline, we take this energy of a new day into the future as we develop our nation, build generations of deep wealth and do more amazing things together.

NextGen2022 THE PROMISE OF A BRIGHTER TOMORROW *Celebrating the achievements of young Vincentians*

As the debilitating impact of the global pandemic continues to affect lives and livelihood here in SVG and abroad, it is particularly refreshing and reassuring to witness first hand, the fortitude of young Vincentians who have soared through the ashes of the La Soufriere Volcano and have given exceptional performance. Indeed, such is the context within which the 2022 cohort of Youthful Visionaries fostered the requisite tenacity and motivation which led them in their respective enterprises in ways that can be best described as truly inspirational.

Their stories remind us that, in the midst of threats, opportunities exist. Moreover, they convey to us a clear message that even though we momentarily pause, it is mandatory that we get up and forge ahead in order to be successful. Against such background, this, our 8th Edition of the NextGen Calendar is profoundly meaningful as it displays the wisdom, strength, courage, and tenacity of twelve (12) young Vincentians.

We are proud to feature these truly outstanding stories that we hope will continue to motivate those who are already on this journey. At the same time, we hope that they inspire those persons who are still contemplating entrepreneurship. We thank all of you who have supported, and still continue to champion your cause. You have all made your collective contribution to St. Vincent and the Grenadines.

**BOSVG offers you best wishes for 2022
as we continue - Doing More Together**
